# UNLEASH the POWER of your INTUITION

Your five senses keep you safe. Your sixth sense, intuition, opens the door to creating your heart's desires.

The ability to see within yourself changes your outer vision. When you learn to listen and follow that "still, small voice within" and link your intellect's passion with your heart's knowledge, you become the true master of your own destiny.

If claiming your own wisdom and learning how to access increased inner guidance appeals to you, clear your calendar. Get ready for one of the most powerful journeys you can take -- the journey within.

- Each seminar is limited to 15 participants.
- Groups meet for 3 hours once a week, for 6 consecutive weeks. There are morning, afternoon and evening sessions available.

If you are craving quality time for self-exploration—a chance to delve deeper into your needs, your dreams, your desires — Unleash the Power of Your Intuition seminars may be a timely opportunity for you.

## HERE'S HOW TO GET STARTED
